

1 You have until **Friday, December 3, 2021 (11:59AM UTC)** to (optionally) respond to the reviews. You must submit a
2 single response that addresses all reviews (not one response per review). The author response is limited to a **single**
3 **page** in PDF format, including all figures, tables, and references, and has to use the AISTATS “author response” style
4 that accompanies this tex-file. You may not alter this style file; in particular, you may not change the paper size, font,
5 font size, or margins. Moreover, author responses must not contain external links, and must be **anonymized**.

6 Please focus your response on either answering specific questions raised in the reviews or correcting any misunder-
7 standing or factual errors in the reviews.

8 You can change your response as often as you like until the above deadline. Please note that **this deadline is strict** and
9 we encourage you to submit your response early so as to avoid technical issues. Please be aware that the deadline is
10 **11:59AM (not PM)** and the time zone is **UTC**. You may find it useful to use an online time zone converter.¹

11 To include a figure in your response, the following LaTeX code is a possible solution:

```
12 \begin{minipage}[b]{0.3\linewidth}  
13 \includegraphics[width=\linewidth]{path_to_figure}  
14 \captionof{figure}{figure_caption}  
15 \end{minipage}
```
